Any tutor who works outside of school with students must ensure that they are fully aware of the procedures in place to protect themselves and the students they are working with.

- Tutors should be seen to be working in an open and transparent way.
- Tutors should always act, in the child's best interests.

### **Confidentiality**

- Tutors should be clear around what information about a student can be shared and in what circumstances it is appropriate to do so.
- Tutors should always seek advice from the DCPO if they are in doubt.
- There will be no email communication directly between tutors and students. All email correspondence sent to the parent/responsible adult will include ExpertEase Tuition.
- The tutor will not be aware of the email address of the student or parent/responsible adult and will not be able to communicate with them directly.
- All personal details about the student and parents, including contact address and phone number, will remain private and confidential and will not be available to the tutor unless it is deemed absolutely necessary (i.e address for face to face tuition).

### **Online tuition**

- Tutors must record times of all school/home online sessions.
- Tutors must ensure that their environment does not display any inappropriate images or documentation capable of being viewed by the student or parent/responsible adult when conducting an online session.
- Always keep discussions on a professional level.
- If at any point during tuition a tutor feels uncomfortable about any behaviour from the pupil or parent/carer they should end the session and leave the setting. The circumstances should be reported to the DCPO as soon as possible.
- Online lessons should not take place without an appropriate adult present.

### **Home tuition**

- Tutors should record times of all school/home sessions.
- Tutors should ensure that any cause for concern is discussed with the DCPO and that safeguarding procedures are followed.
- Tutors should never enter a house alone to tutor a child without the presence of parent/carer.

- Always communicate any times where the pupil becomes upset or distressed including with their own parent/carer
- Always report any situation where a pupil becomes upset or distressed to DCPO

### **Other venues**

If it is thought necessary, tuition can potentially take place in a nearby library or public building rather than the pupil's home. All venues and changes of venue should be agreed in advance with the parent/carer, and the DCPO must be notified immediately.

All of the above guidelines apply, but in addition ensure the venue is suitable for tuition, there are tables and chairs available and the type of building does not in itself pose a risk to the child or the tutor.

Arrangements for meeting and dismissing the child should be agreed with parent/ carer before the tuition takes place. Transportation of an individual pupil should be avoided. However, the

individual needs of the pupil should be taken into consideration. If deemed necessary, it should take into account any relevant risk assessment and prevailing circumstances.

## **Health and Safety**

The very nature of one to one tuition lends itself to potential risks. Tutors should take every reasonable step to eliminate potential risks to increase safety and confidence. Make sure you are aware and have a copy of the individual student's risk assessment. This is particularly important where there are known risks around Domestic Violence, Drug and Alcohol use and offending behaviour.
